

# Middle School Curriculum

Mission Statement: The mission of MRBS is to exalt Christ. We build this out in a conscience effort to lie low and walk in a humility that says Christ is the ultimate treasure, Christ is the one who should be exalted, Christ is the one to be applauded and loved and we did nothing but what He asked of us. School Verse Proverbs 9:10 The fear (a whole-hearted commitment to) of the LORD is the beginning of wisdom, and the knowledge of the Holy One is understanding. Fear in the Bible refers more often to being whole-heartedly committed to as opposed to being afraid of God. Our school verse reflects our commitment to demonstrate to students with our lives that true happiness only comes through a whole-hearted commitment to Jesus Christ.
